To: Long Island Water Conference – Water Suppliers
From: Dennis M. Kelleher, P.E. – Public Relations Chairman 
Date: September 14, 2012
Subject: Consumer Scam

It was recently brought to our attention that numerous residents in two (2) separate areas of Long Island received phone calls stating that they were the collection agency for the “*Water Company*” and they were requiring immediate payment of outstanding water bills by credit card over the phone.

Please be aware of this situation and alert your residents.

The Long Island Water Conference will be sending out a media alert/press release today.
